

Sample Email #3 – General Love The Nations Focus

Subject: Help Me Support Families in Puerto Rico – I’m Walking for Life!

She came to Hope Women’s Clinic feeling overwhelmed, pressured, and unsure of her next step. She had just found out she was pregnant and was leaning toward abortion, convinced it was the only “realistic” option given her circumstances. But something told her to slow down—and she walked through our doors.

During her visit, she received a free ultrasound, and for the first time, saw her baby’s heartbeat. Her whole demeanor changed. She began to cry. The nurse listened, prayed with her, and gently shared the truth that God had a purpose for her life—and her baby’s. That moment changed everything.

She chose life. And because of the support she received through our PAGA parenting program, she’s now confidently raising her child and actively growing in her faith. Her story is just one of many like it happening through Love The Nations every week.

Life and Hope. That’s the mission of Love The Nations.

On October 18, I’m walking in the Walk for Life Puerto Rico because I believe in this mission. Last year alone, Love The Nations helped over 280 women choose life after seeing their baby on an ultrasound. More moms and dads are coming to Christ. More families are being strengthened. It’s a powerful movement of hope and healing across Puerto Rico.

And every service is completely free, made possible by generous people like you.

Would you consider sponsoring me with a donation of \$25, \$50, \$100 or more? Your gift is tax-deductible and makes a life-changing difference.
