Subject: Help Me Walk for Babies Like Mateo

His name is Mateo*. A few months ago, his mom walked through the doors of the Hope Women's Clinic, overwhelmed and unsure. She was seriously considering abortion and thought there was no other way forward. Our team listened with compassion, explained all her options, and shared something she hadn't heard before—**that the abortion pill can sometimes be reversed.**

A few days later, fear got the best of her. She took the first pill. But almost immediately, regret set in. She called the clinic in tears, asking if there was still hope. Because of the information she'd received and the quick response of our team, she was connected to a provider in Puerto Rico who could begin the reversal process right away. The days that followed were filled with anxious prayers—until the ultrasound showed what we'd all hoped: Mateo's heartbeat was still strong.

Today, Mateo is alive and thriving. And his mom is so grateful she found Love The Nations when she needed it most.

On October 18, I'll be participating in the first-ever Walk for Life Puerto Rico to help raise funds for Love The Nations—and to give babies like Mateo the chance to live. I'm walking because I believe every life is a gift from God, and every mom deserves real support when she's facing an unexpected pregnancy.

Love The Nations provides:

- Free pregnancy tests, ultrasounds, and options counseling
- Material help like diapers, formula, baby clothes, and more
- Parenting education and mentorship through their *PAGA* program
- Spiritual support and post-abortion healing through *Camino a Sanar*

All of their services are 100% free, made possible by generous people like you.

Just this year, over 280 babies have already been saved through their clinics. That's 280 first birthdays. 280 futures. 280 reasons to walk.

My personal goal is to raise [insert amount], and I would be honored if you would consider sponsoring me with a donation of \$25, \$50, \$100, or whatever amount you're able to give. Your gift is tax-deductible and makes a lasting difference.

You can give through my fundraising page here: [Insert FundEasy link]
