

## Sample Sponsor Request Letter

Dear Friend,

On Saturday, October 18, I'll be participating in the FIRST Annual Walk for Life Puerto Rico to benefit Love The Nations. This life-affirming ministry exists to bring the LIFE and HOPE of Jesus to Puerto Rico by loving and empowering women facing unplanned pregnancies—and I'm walking to help them continue reaching women, men, and families.

Love The Nations offers hope and tangible support to those facing unexpected pregnancies. Their services are completely free and available to anyone who walks through their doors. Here are just a few of the ways they're making a difference:

- Through Hope Women's Clinics, they provide free pregnancy testing, medical ultrasounds, options counseling, and material support like baby clothes, diapers, formula, and more—all while sharing Gospel hope.
- Their Life-skills program, PAGA, offers education, mentoring, and practical resources to moms and dads from pregnancy through their child's first year.
- Through Camino a Sanar, they walk with men and women who have experienced abortion, offering healing and restoration through Christ.

This year alone, over 280 babies have already been saved in their clinics—and with your support, that number can keep growing.

I'm reaching out to invite you to sponsor me as I walk for life. For every \$170 raised, Love The Nations can offer a life-saving ultrasound to mother considering abortion. My personal goal is to raise **[insert your goal here]** — would you consider giving a one-time gift of \$25, \$50, \$100, or whatever amount you feel led to give?

Every donation is tax-deductible, and every dollar helps save lives and share the good news. You can give now through my fundraising page or make a pledge that Love The Nations will collect after the Walk.

Thank you for standing with me to proclaim the good news that every life is a masterpiece created by God. I hope you'll join me—whether by giving, praying, or walking from wherever you are.

With gratitude,
